MEMORANDUM FOR: Deputy Director of Security (PSI)
FROM : Robert W. Gambino
Director of Security
SUBJECT : FBI Reports

1. This memorandum will confirm my verbal instructions to you on 28 June 1976 concerning guidelines to the FBI concerning FBI reporting.

2. On the above date I reviewed with you the article in the 25 June 1976 The Washington Star which caused considerable embarrassment to the FBI. I also summarized the results of my conversation with FBI Special Agents Vern Weimar and Joe Deegan concerning this matter. In addition, I noted that as an interim measure it had been agreed that the FBI would furnish CIA/Office of Security all information which comes to their attention concerning the safety of CIA personnel and installations in the United States.

3. You were requested to draft a memorandum to the Director, Federal Bureau of Investigation, setting forth Office of Security/CIA requirements for FBI reporting. You were asked to cover reporting concerning the safety of CIA personnel and installations and the Office of Security's counterintelligence and other areas of responsibility.

4. It is requested that your draft be completed no later than Friday, 2 July 1976.

Robert W. Gambino
